

WOMEN IN AGRICULTURE FOR SUSTAINABLE AFRICA (WASA)

ABOUT WASA

- ▶ WASA is a flagship program of Climate Smart Agriculture Youth Network Global (GCSAYN) initiated with the main objective of equipping young girls and women in agriculture in achieving their goals which includes;
- ▶ Improving communication among other women in agriculture
- ▶ And to broaden their knowledge on good agricultural practices that are eco-friendly and sustainable

OBJECTIVES

- ▶ The specific objectives/goals include;
- ▶ 1. To reduce poverty, hunger, improve health standard by producing healthy food which addresses the SDG number 1, 2, and 3
- ▶ 2. Reduce the unemployment rate in our local communities SDG 8
- ▶ 3. Practice climate smart agriculture in a way that is friendly to the environment SDG 13, 14, and 15
- ▶ 4. Encourage women to be agripreneurs through setting up of individual agribusinesses
